Pure Potentiality Meditation

Ta una rey. Ee Kano mey. Ba ta una sey

Close your eyes and take a deep breath. Feel Us for We are with you now and forever. Be still and feel deeply. Feel the nothingness. Feel the space. Feel the Void. Let go of the mind for it prevents you from fully feeling and appreciating the nothingness. When something comes up to pull you away from the nothingness, just take another deep breath and let it go. Once again move back to the nothingness. Don't be afraid of it. It may be uncomfortable but allow yourself to stay there just a bit longer. Allow the moment to just Be. Appreciate it. Feel the moment deeply. Become the moment. You and the moment are One. When you allow yourself to be at One with all that is around you, when you merge with the moment, you are connecting with the All. There is no separation, only Unity, only Oneness. Be at peace with the moment. No thinking, just Being. Being in the Void, being blank, allow the nothingness to consume you. There is no you. Only nothing where you used to be. But often in the nothingness your mind panics and takes over, creating a sense of stress and discomfort. Learn to feel more at ease with nothing, learn to make it your friend, for on the other side of nothingness lies great riches. Riches beyond your wildest imagining.

Come and join Us on the other side of nothingness, on the other side of the Void. As you practice becoming more at ease with nothing, We will show you, We will teach you how to cross the Void. From there you can pull back the Veil so you may come to experience your multidimensional self while still in human form. There is so much more to you than you may know. Your limited 4-dimensional self prevents you from truly comprehending Who You Truly Are. When you move behind the Veil you will come to know your True Power - Pure Potentiality. It is your form that limits your potentiality. Moving beyond form allows you to tap into full and complete possibilities. But with the energy on your planet changing, it is no longer necessary to give up your form to access this Power. Some humans witness this state when they experience a near-death experience. You are now capable of attaining this state known as Pure Potentiality while still in human form. From this space, you will know complete manifestation.

Complete manifestation is a state where you can intend and create anything you choose instantaneously. It is a state of great power which cannot be achieved without practice. It is far more

difficult to attain in human form, but it is possible. To reach this state, you must move to the place of Pure Love. We will teach you about Pure Love. You can feel it, but you will have difficulty explaining it to others. It does not need to be described but merely experienced. It is not love as you may know it, but something deeper and far more intense than anything you have yet experienced. It is not human love, for your humanness limits your ability to love fully and unconditionally. The Love of Source is something beyond your comprehension, but you can connect to it with much practice. It requires moving beyond your physicality. Experiencing the Love of Source is one of the many great riches that occur beyond the nothingness. That is why We urge you to be more comfortable with the Void. To cross over while still in human form is now possible. Each time you traverse behind the Veil you move to higher levels of consciousness. Your DNA will recalibrate and you will be different. You will have become much more than your humanness. You will have merged with the Source in a way that is unexplainable and unfathomable to your limited human dimensionality.

For those who have come forth at this time of great potential and have worked diligently to become awakened and more enlightened, We thank you for your effort. You fulfill an important role in the changing of the energy on your planet. Once you have been able to experience the place of Pure Love, the place of Pure Potentiality, you will be able to show others The Way. As Wayshowers, you can lead your human brothers and sisters to new ways of living life on planet Earth. Everyone is now able to peek behind the Veil if they desire to do so. As your heart opens wide and your mind is still, you will begin to feel the energy of the Great Divinity. Do not resist or be afraid of it or you will lose it. Become more at ease when the sense of Unity comes over you in a strong way. Let it overtake you. Let it become you. Let it consume you. As you allow this deep sense of Oneness to strengthen, you will learn each time you do so, to go deeper and deeper into the Place of God – the Source.

It will take practice, several times of going deeper and deeper. Your natural human tendency will be to resist, to be afraid, for this is the place where you leave behind your 4-dimensional world and get a glimpse of the multidimensional you. Practice surrender – complete surrender when the sense of Unity comes upon you. Do not be afraid, We will be there with you always, holding your hand as you cross over the Void to the place often referred to as Heaven. And if you lose your connection to Us, simply stop and Be Still. Pause. Be patient. Allow the Love of God to wrap around you. Take a deep breath, and when the mind is completely still, We will reappear. Be unto yourself True. Allow Us in. Once again, quiet the mind while at the same time opening your heart wide. Simply let Love guide you. Drop the fear. Soon you will be able to summon the opening to this portal whenever you desire. It will take practice but not necessarily a long time.

Many of you are blocked by the lower chakras from moving to the highest of vibrational states. It is time if you choose to open up those lower chakras by eliminating the conditioned beliefs that no longer serve you. And what blocks your lower chakras? It is your ties to the tribe, the family, and society. It is your personal history that you cling so tightly to. It is your fear of wholeheartedly being You. Of allowing Your truth to come forth. The opinions of others must be eliminated for the flow of energy to move through you without being blocked at the lower chakras. Eliminate all that no longer serves you about society, the others, and family – for those beliefs keep you separate. And from the place of separateness, you are blocked from moving to the highest of vibrations. Unless you can achieve the highest vibrations, you will not be able to traverse the Void and move behind the Veil to experience the Unity of Source. It is time, if you choose, to unblock the lower chakras. Let go of your personal history so you may ascend to your Greatness. Learn to access the Personal Power of your 3rd chakra by letting go of all your emotional traumas that are stuck in the lower energy centres. Let go, release, and surrender all that no longer serves you so you can move to the place of Pure Potentiality, where it is easy to create all that you desire while still in human form.

We bring you this message from a place of love. Our love for you is unconditional and everlasting. Now go forth dear ones so you can traverse the Void and have access to your Pure Potentiality more of the time.
